We provide a safe, confidential, caring place where trained, caring prayer ministers help you overcome obstacles caused by negative life experiences, grief and/or unhealed hurts in your life. Our prayer ministers are trained to pray for and teach and equip individuals to apply biblical principles so you can experience the transforming power of Jesus Christ.

We understand that it takes courage and commitment to share your difficulties with others, but we are confident that God will meet you as you submit yourself to Him and you will see positive changes and personal growth that will last a lifetime.

We believe that only God can change a life and provide freedom from your past and within your current issues.

Growth in Grace is about:

- Assisting individuals in tearing down personal strongholds built on negative life experiences and thought patterns.
- Training and equipping individuals on how to walk in freedom and experience abundant life through Jesus Christ.
- Leading individuals in their healing process of recovery from addiction, depression, trauma, abuse, grief, etc.
