

2010 Senior High Witner Retreat Scholarship Application

DUE JANUARY 3, 2010

We don't want a lack of funds to keep your student from attending key Friendship Church Student Ministry retreats. Scholarships are granted on a case by case basis and are evaluated by Jim Barringer, Pastor of Student Ministries. Scholarships are made available due to the generosity of Friendship Church attendees willing to give of their finances to make scholarships possible. Generally we are able to offer some form of a scholarship.

The following application must be returned with a complete retreat Registration Form and a current Medical and Media Release must be on file. Applications received without a Registration or current MMR form on file will not be considered. Leave the "Scholarship Received" and "Amount Enclosed" portions of the Registration Form blank and Amy will update when scholarships are distributed.

*****All information is confidential and we will make every effort to help you.*****
